“Tēnā koutou katoa.

Te Wānanga Aronui o Tāmaki Makau Rau (AUT) welcomes our global community to Tāmaki Makaurau and our university for the World Indigenous Peoples’ Conference on Education in 2025. AUT has a deep, enduring and committed relationship with Māori and is committed to Te Tiriti o Waitangi. It is with privilege that we host and welcome WIPCE back to Aotearoa New Zealand for the first time in 20 years with the opportunity to celebrate and foster cross-cultural exchange, rejuvenate traditions, and ignite innovative Indigenous approaches to education. As it is said in Samoa, ‘le malu le vai i lou finagalo’ — may your mind be like cool water. We look forward to welcoming you all in 2025.

hau mai haere mai.”

Executive summary

As the host, we are delighted to invite you to join us in supporting the World Indigenous Peoples' Conference on Education (WIPCE 2025) to be held in Tāmaki Makaurau Auckland from 16-20 November 2025.

WIPCE is more than just a conference, it is a global movement dedicated to fostering Indigenous knowledge, cultures, and languages through education. Since its inception in 1987 in Canada, WIPCE has become the premier international forum for discussing and promoting Indigenous education.

WIPCE is held every three years and attracts thousands of participants from diverse Indigenous communities. WIPCE gatherings create a unique space for dialogue, collaboration, and cultural exchange and celebrating our indigeneity and has significantly contributed to the global Indigenous education agenda, advocating for self-determination and culturally relevant pedagogy. It is the largest global Indigenous gathering.

The journey of WIPCE over the past three decades has been marked by a steadfast commitment to addressing the educational disparities faced by Indigenous peoples. The last time it was in Aotearoa New Zealand was in 2005, hosted by Te Wānanga o Aotearoa, and held on the grounds of the University of Waikato – attracting more than 4000 delegates. The pōwhiri (official welcome) was hosted by the late Te Arikinui Te Atairangikaahu at Tūrangawaewae Marae. Since then, WIPCE has been hosted in Melbourne (Australia), Cusco (Peru), Waikiki (Hawaii), Toronto (Canada), and Adelaide (Australia).

Now, on behalf of Te Ao Māori and all New Zealanders, the Auckland University of Technology is honoured to welcome WIPCE 2025 back to the shores of Aotearoa.

A sunset over a body of water with mountains in the background. The sky is a mix of orange, red, and purple, with clouds catching the low light. The water is calm, reflecting the colors of the sky. The mountains in the distance are dark silhouettes against the bright horizon.
